TROY MILL.  
1860  
near Troy, Minn.

Built by Sam & Joe Musser, located  
on the E.  $\frac{1}{2}$  of the N.W.  $\frac{1}{2}$  of Sec. 30, T. 105  
Range 10, Saratoga Township.

Bought in 1898 by Frank Slaven,  
present owner; address St. Charles, Minn.

At unknown date the rear stone wall  
was removed or fell, and a timber addition  
was built. The water power was replaced by  
a small steam plant. Not in use for some  
years. Most of the machinery and grinding  
stones (for grain) are still in place.
